FRONTLINE WORKERS

DRR'S MESSAGE

Dear Rotaractors Rotarians and Friends,

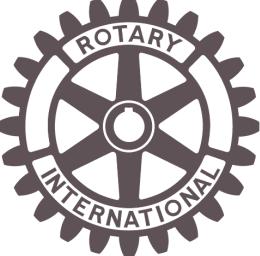

We would like to thank Rotaract Club of Surana College team for taking up the responsibility of this edition Newsletter with a relevant theme.

Due to the current pandemic our Rotaract District Conference will be happening online for the first time ever. More details would be shared with you all soon.

These are testing times and each one of us are responsible for our own health and well being. Let's take a moment and appreciate the frontline workers who are putting their lives at risk to save us all. Kindly stay safe and take care so we could fight the pandemic.

Let's Involve Innovate Impact for a better tomorrow !

PP Rtr Raj Vamshi KB
District Rotaract Representative
Rotary International District 3190

THEME FOR EDITION 22

**All of you are Angels. Thank you for all your dedication
Appreciate all your hard work.
Be safe God bless you all.**

**Sanitize. Mask up. Stay indoor.
STAY SAFE.**

EDITORIAL DESK

Be involved, be informed. Make meaningful contributions to society through service and involvement.” I really take this opportunity to thank all my friends and my family to support me for the works I do and it’s a pleasure to be the part of our district editorial team and editing this edition of newsletter was a great experience. It was filled with lots of Learning and explorations. Working on this newsletter made Me realize that the pandemic is challenging but every Rotaract Club and every Rotaractor is giving their best and Not letting these challenges stop them.

Rtr Pooja V

Rotaract Club Of Surana College

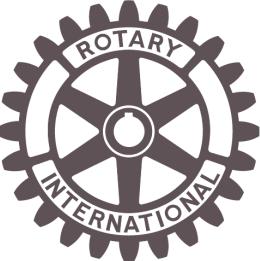

I Endlessly thank for this wonderful opportunity and for all that rotaract family does to empower the youth.. All that I hope is to continue with the same spirit, throughout the journey of my life as a part of the Rotaract family.

Most importantly, thank you rotaract for being the inspiration and giving me life changing experiences. I express my gratitude to Mr Raj sir for choosing me as a district editor for this edition of newsletter.

Rtr Akash Rajendra Prasad

DISTRICT UPDATES

The image shows a smartphone displaying the logo for the VAIBHAVA online conference. The logo features a red curtain background with the word "VAIBHAVA" in gold letters, a crown icon above it, and "The 43rd Annual Rotaract District Conference" below. Below the curtain, there is a stack of white books, and the words "ONLINE CONFERENCE" are written in large, bold, gold letters across them. At the bottom of the phone screen, a red banner displays the dates "19th, 20th June 2021".

First time ever in the history of RID 3190

It's Happening Online!

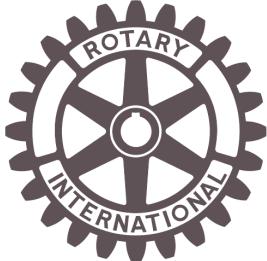

Rotaractors who have already registered for the conference will receive a full refund of the registration fee.

Stay tuned for more details

Time :11am to 12.30pm (IST)

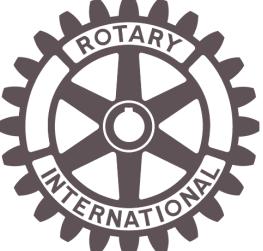

Venue : Zoom Online

Yours truly,

Rtn Rtr.Manjunath Nag

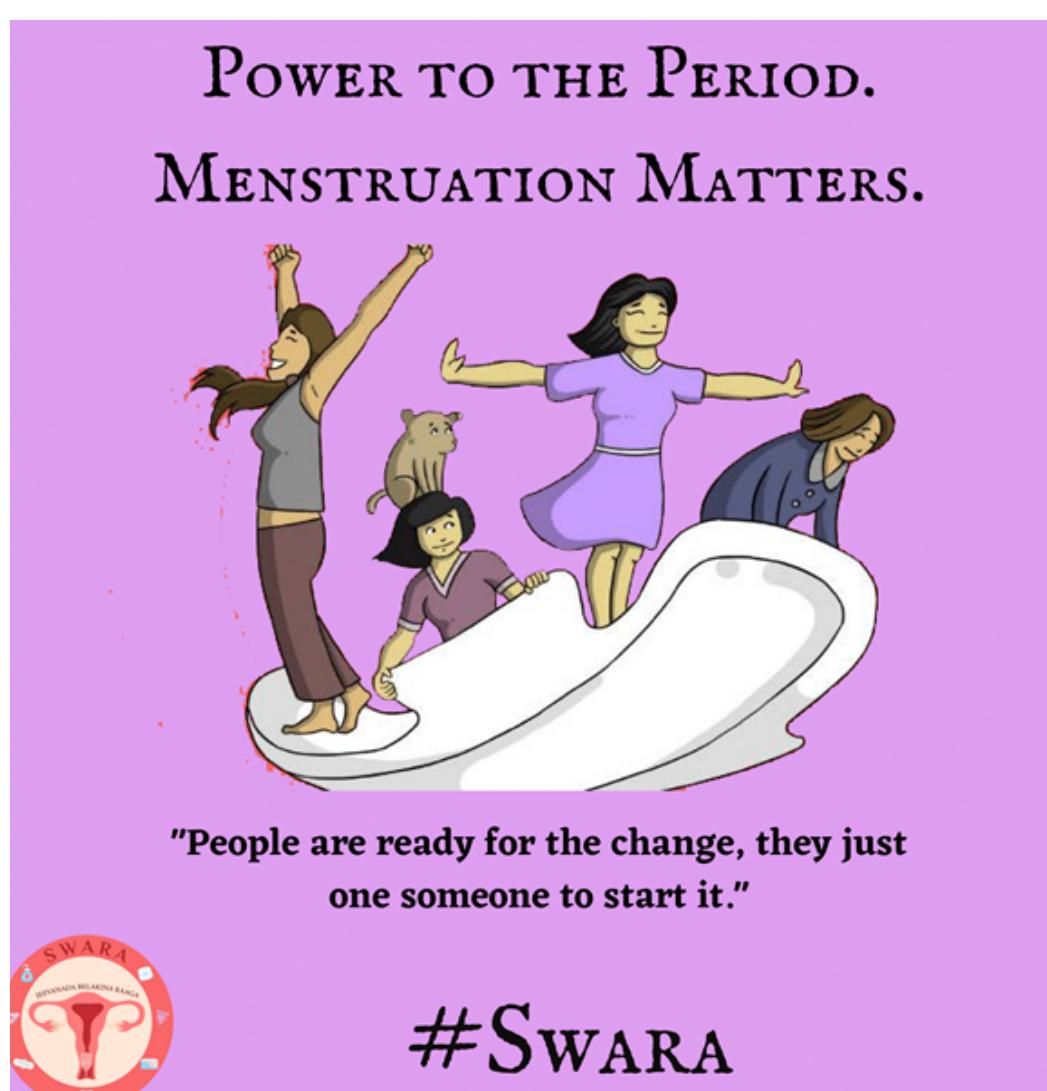

Chair - Hasiru Committee

Rotaract District 3190

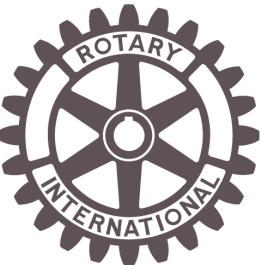

CLUB'S PROJECT

ROTARACT CLUB OF PRESIDENCY COLLEGE, RID 3190

The SWARA Project

The Flagship Project "Swara"- Jeevanada Belakina Raga, which means "The Rhythm of the beacon of light in life" focuses on old myths and practices associated to Menstruation. It strives to eradicate the typical stereotype mentality, that eventually affects one's mental and physical health. Rotaract Club of Presidency College believes to be the beacon of light in a needful person's life in any way possible, and therefore the rotaractors of the club have given their experiences and insights on the same. The logo and posters were released via Instagram handles to the public.

ROTARACT CLUB OF KLE PHARMA BLR, RID 3190

The Rotaract club of KLE pharma BLR in association with NSS unit 8, KLE college of Pharmacy, Bangalore had organized Free Test for Covid-19 RT-PCR Camp on Monday, 12th April 2021 by BBMP under the guidelines of Rtr Dr. Raman Dang, Nodal Officer Dr. Mamatha. A and

Rtr President J Kuber Singh. The event took off around 11 AM and was concluded by around 4 PM. The program was great success with more than 100 people getting tested for Covid-19. We had an active designated group of health workers from the BBMP wearing their PPE kit to examine the people of KLE. The BBMP Health Care administrators were provided with well disinfected hygienic isolated space for their activity. We ensured that the camp was safe and right measures were taken by the Volunteers who used gloves and provided free masks to everybody present there.

The Volunteers monitored the entire event by enforcing social distancing and healthy hygiene behavior and the people who came for the test supported by maintaining social distance and disinfecting their hands regularly.

Let us encourage more such camps and play our role to curb the Pandemic.

Thanks for the generous contribution by the Rotaract Club of KLE Pharma BLR in association with NSS unit 8, KLE college of Pharmacy, Bangalore.

We are still going to aware people and spread positivity till the time the situation gets better and do as much as possible.

“Together we can flatten the curve.”

ROTARACT CLUB OF PES UNIVERSITY, RID 3190

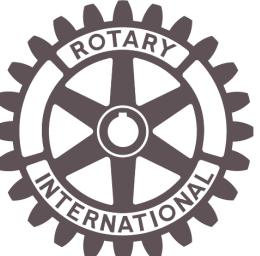

"FEED THE HUNGER"

Daily wage workers, who cannot afford basic needs are the ones who were majorly affected by lockdown. As workplaces shut down, hunger, loss of income and jobs, uncertainty about their future hit them hard. Millions of families slept in hunger. It is our responsibility to help them in whichever we can.

RC PESU took part in the initiative, “Feed The Hunger”, hosted by Rotaract Bangalore Golden Rock and supported by Janadhare Trust & Crafting Roots Foundation. We are involved in relief work to feed the hungry migrants, who are stuck in Yeshwantpur and Bangalore Cantonment Railway Stations. Club members and students contributed to the cause. A fundraising initiative was launched on the Milaap platform as well.

We prepared, packaged and distributed around 1100-1250 packets every day. In total, we have distributed more than 25,000 food packets.

We would like to thank everyone for their contribution in making this event a huge success.

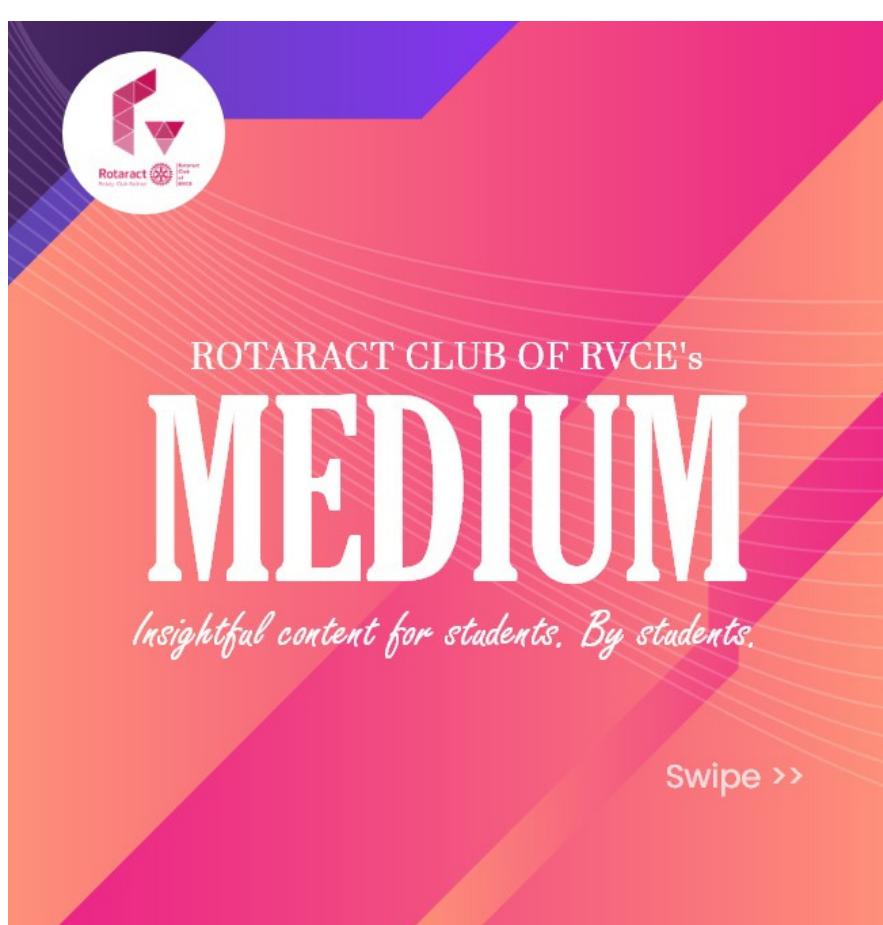

ROTARACT CLUB OF RVCE, RID 3190

Plasma donation portal is an initiative by the Rotaract Club Of RVCE.
We believe that in this time of distress, when many families are in dire strait, our platform could help them by empowering the path of change.

This is an initiative, where we request the already

recovered covid patients to donate plasma and collect the details of the ones who need Plasma and supply it to them. <http://covid19.rotaractrvce3190.com> The real motive is to meet the Plasma needs of the patients immediately, by the already received donations of recovered patients. In this way, we believe that we are empowering the citizens of our country to come forward and do their part.

Awaaz was started on 14th April, to enable the visually impaired individuals to have the pleasure of listening to stories that may not be in braille or a comfortable format for them to read. Close to 100 Stories and Novels were recorded across 3 languages and for different age groups.

Once the recordings were ready, a website was designed when all the stories are available and easily accessible. <http://awaaz.rotaractrvce3190.com> We reached out to many NGOs and that support the visually impaired. Within a few days, 15 NGOs confirmed their interest in the initiate, and instantly the content was shared with them. We received a positive response after the content was shared. We, at Rotaract Club of RVCE, are happy to make a change in society and bring a smile to people's faces

ROTARACT CLUB OF VIDYARANAPURA, RID 3190

FOOD AND MASK DISTRIBUTION

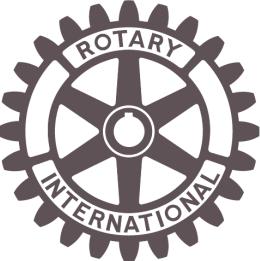

On the 22nd of May, we partnered with Armour of Care and distributed 1800 masks and 400+ food packets to police, road side vendors, BMTC drivers and conductors, and also the homeless people. The food and mask donation drive was conducted in and around the areas of KR Market, Majestic and Malleshwaram

ESSENTIALS DISTRIBUTION

With the help of Thindlu Boys Foundation, we distributed masks, sanitizers, groceries, snacks from nandini and some monetary contributions to an orphanage. They made a distress call to our club as the caretaker had to visit his native and they didn't have the money or the means to buy any essential items for their living. Together we distributed 10kgs of Potato onion, aata and toor dal along with 50kgs of rice, 5 litres of oil and other basic items. Both teams have promised to provide any essential items to the orphanage till the end of lockdown

2. POEM

The Incomplete Story

Beyond the shadow of time

It's the spark of your warmth

Turned the fire on,

Touchin' those hands,

And feelin' the blue,

Wasn't such passive,

Though the life,

Seemed to be with the third,

Not even the religion

Could retard to achieve .

Those beats of intimacy,

Those bloods of fellowship,

Won't be lost with ease,

As the tears will potray to paradise.

The red won't be fade

Was hidden down the kiss

The hearts will still beat in one breath,

But you are still gonna be missed.

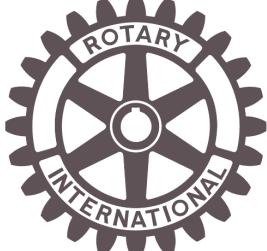

Your love was so strong,

The black started to shine,

Your years would carry the vibe

You are still gonna be mine.
